

1 – Extension Activity for *Earn, Save, Spend & Share*

Specific Outcome(s)

At the end of this extension activity, students will be able to identify the values and names of Canadian coins.

Materials Provided

- Getting to Know Coins handout

Materials Needed

- Pencils

Logistics

- Print the Getting to Know Coins handout 😊
 - Print enough copies for each student.

Procedure

- Review the values and names of Canadian coins. This can be done with the Canadian Coins Poem (available at <https://moneymentors.ca/schools/extension-activities/>).
- Distribute the handout to students and give them time to complete it.
- Review answers with students once they are done.

Getting to Know Coins

Draw a line from the coin to its value. Then, match the coin to its name.

100 cents

toonie

10 cents

loonie

5 cents

nickel

200 cents

dime

25 cents

quarter

Draw a line from the coin to its value.

This is a nickel.

10¢

This is a dime.

25¢

This is a quarter.

100¢

This is a loonie.

200¢

This is a toonie.
