When your willpower lets you down, take out this card. Review each question, answer honestly.

- Will this purchase meet one of my goals?
 - Do I really need it?
 - Can I afford it?
- Am I buying this only because it's on sale?
 - Would I buy this if I had to pay cash?
- Would I come back tomorrow to buy this?
 - How much do I owe on my credit card this month?
- If I charge this, can I pay off this months bill?
 - Could I feel better now without spending money?
